I have received a copy of this agreement for my reference.

I understand that this written consent allows the servicing agency share and update information about my family and me to coordinate services. I understand that specific information about other adults in my family will require that a separate agreement be filled out by the individual.

I understand that the confidentiality of my records is protected by law. I understand that the partnering Alliance for Housing agency will never give information about me to anyone outside the agency without my written consent or as required by law (The regulations are the Federal Law of Confidentiality for Alcohol and Drug Abuse Patients, (42 CFR, Part 2) and the Health Insurance Portability and Accountability Act of 1996 (HIPAA), 45 CRF, Parts 160 & 164).

Page 1 of this document lists the partners that share information under a Coordinated Services Agreement. All of the sharing agencies must follow strict privacy laws. The sharing agencies may change from time to time.

I understand that the information provided and shared will be used to coordinate services, link with other available programs, and help to document homelessness history.

I understand that generally my services/treatment will not change based on whether I sign a consent form, but in certain limited circumstances I may be denied services/treatment if I do not sign a consent form. I understand this consent is voluntary and may be revoked in writing at any time, except to the extent that action has been taken relying on this authorization. Unless otherwise revoked, this authorization will expire one year from the signed date.
